- Individual *Ça marche!* gifts for the entire class

***Winning submissions will be displayed at
provincial FSL conferences!***

*****or for each member of the winning group (maximum of four)***

Here's how to enter:

First...

Choose the grade level you'd like to try. Need materials? Call 1-800-361-6128 and place an order with customer service.

Next...

Complete the appropriate *Ça marche!* unit with your class and select the top three final projects.

Then...

Submit up to three entries to Pearson Education Canada along with the official entry requirements:

- Completed official entry form and questionnaires
- Consent forms signed by the parent(s) or guardian(s) of every student entered
- A photograph of *le projet final*
- Video-taped presentations of *le projet final*

Finally...

Pearson Education Canada will select the finalists and request the submission of actual final projects for judging.

All entries must be postmarked no later than Dec. 5, 2005.

To download forms and for additional information please visit www.pearsoned.ca/camarche

Call 1-800-361-6128 now to order

ÇA MARCHE!

The *Ça marche!* program features projects that are fun and relevant to students' lives. Each theme is developed using a student book, a workbook (or BLMs), an audio CD, a teacher's guide and a video that models *le projet final*.

The following two introductory units are the ones to complete and submit:

Level 1 *Mémor-photos*

A picture is worth a thousand words!

Students develop and present their own personal photo-history

Level 2 *L'école de l'avenir*

Technology of the future! Students design an invention that could improve school life in the future.
